“Granny, it has now been almost 4 weeks since you left us. You passed on in the early morning. That was so much like you back in the day when you would arise so early. I am sorry I was not there with you, but maybe that is the way it was supposed to be. I have your chair in my bedroom and I expect to see you there. I know you are happy and without pain, but I miss our time together. My life will no longer be the same without you. I pray that God will let you come to me, but you have not yet. I hope you know how much you meant to me and how much I loved you. Sometimes I ache just to talk to you. I have not been to the gravesite yet, but I will before to long. You would have approved of the funeral, the music was beautiful. I love you Granny and you are forever in my heart and soul. Please visit me in my dreams from time to time, I would love to see you and talk to you. Night, Night, Sweet Dreams and I love you.
